Presents

CA²RS 10th Anniversary Conference

SOAR 25th Anniversary Conference

October 16th- 18th, 2008

This year our conference will include a variety of speakers and topic related to crash reconstruction. It will include sessions on comparing methods of measuring drag factor, narrow object impacts, critical speed/yaw situations, investigating rollover collisions, human factors & visibility assessment, testimony tips – surviving cross-examination, momentum & crush, how to “Bullet Proof” your reports, and a panel discussion on crash photography issues.

Speakers this year include: John Daily, Jackson Hole Scientific Investigations, Inc.; Rick Jobe, Vericom Computers; John B. Kwasnoski, Legal Sciences; Arnold G. Wheat, Accident Reconstruction Services, Inc.

In addition to the wonderful conference there will be vendors and a vendor reception on Thursday evening.

ACTAR Class and Test: An ACTAR Prep class is being offered at the hotel on Tuesday, October 14, 2008 and the ACTAR Test will be held on Wednesday, October 15, 2008. Anyone wishing to take to ACTAR Test **must** contact Al Baxter at www.actar.org or (800) 809-3818 to register.
