

# ADVANCED RECONSTRUCTION WITH CDR APPLICATIONS SPONSORED BY WATAI

Instructors: C. Greg Russell and Brad Muir

February 13-17, 2012 at a location to be determined

WATAI is sponsoring this training course that is focused on how to use available CDR data in conjunction with your reconstruction and analysis of collisions. Greg Russell and Brad Muir are two of the best and brightest in the reconstruction industry so take advantage of this chance to help you learn and understand how to merge all of the available data from a crash together for a comprehensive reconstruction that you have confidence in.

The cost of this extremely high level course is \$475.00 per person. You will not find a better price for a chance at this level of training provided locally.

To attend, please complete the registration information below and send it in as soon as possible. Class size is limited to 30-35 people so register early and guarantee your spot.

## Registration Form
